

Pima Rose Academy is an innovative alternative charter high school dedicated to providing a supportive student-centered blended learning environment for diverse learners, including those who may have struggled in traditional school settings since 2011.

Our mission is to Honor the Promise of Education by:

- teaching students the fundamental skills needed to graduate high school, transition into continuing education or college, and explore career choices
- Expanding how students learn how to think
- Creating life options/opportunities for each graduate

We are seeking a passionate and dedicated **Graduation Coach** to join our team. The ideal candidate is innovative, student-focused, and adaptable, with a strong commitment to education. You will play a key role in engaging and supporting students through high school.

Starting salary is \$42,277.00
